

A detailed map of Greece is shown in the background, with various regions and cities labeled. The map is oriented vertically, with the top of the page showing the northern part of the country. Major cities like Athens, Thessaloniki, and Patras are visible. The map is rendered in shades of brown and tan, with blue lines indicating roads and coastlines. The word 'GREECE' is written across the map in large, bold, capital letters.

A detailed map of Greece is shown in the background, with various regions and islands labeled. The map is oriented with the top of the country at the top. Major cities like Athens, Thessaloniki, and Patras are visible. The word 'GREECE' is written across the map in large, bold letters.

MEZE

For \$38 per person you will sample about a dozen different dishes, from dips, salad, meats and vegetables. But Beware, don't be tempted to finish every dish that arrives, or you may feel as if you have eaten for a week. Take your time and enjoy the meze "SIGA-SIGA"

- Meze is recommended for groups (2 or more).
